*Thank you for enrolling with Botsalot. Botsalot has partnered with Botzees, an international, award-winning coding and robotics company specialising in early childhood development. Our sessions will introduce your child to the fundamentals of coding and robotics through interactive and hands-on lessons.*

*We look forward to having your child be a part of the Botsalot family. We will be conducting the class at the school in one of two forms:*

- 1) During school time as an Extra Mural activity as per arrangement with the school or facility provider.*
- 2) After school as an Extra Mural activity as per arrangement with the school or facility provider.*

**All equipment remains the property of Botsalot.**
